### Objective:

Highly motivated and detail-oriented entry-level full-stack web developer with experience in HTML, CSS, JavaScript, Django, and Vue seeking a challenging position to contribute to the development of dynamic and user-friendly websites and applications. Eager to learn and grow in a collaborative and innovative environment.

### Education:

Bachelor of Fine Arts in Computer Animation  
Ringling College of Art and Design, Sarasota FL

Fullstack Bootcamp Graduate June 2023  
PDX Code Guild, Portland OR

### Skills:

- Proficient in HTML, CSS, and JavaScript
- Experience with front-end frameworks such as Vue.js
- Familiarity with back-end technologies, including Django
- Understanding of database systems, such as SQLite and PostgreSQL
- Knowledge of version control systems, like Git
- Strong problem-solving and analytical skills
- Ability to work effectively in a team and meet project deadlines
- Excellent communication and collaboration abilities

### Projects:

- Sticker Fellas E-Commerce Shop
  - ◆ Solo project of a mock-up E-Commerce Application utilizing a Vue.js frontend, Django backend, and Stripe payment integration.
  - ◆ Link: <https://stickerfellas.pythonanywhere.com/>
- Pyxis Habits Manager
  - ◆ Collaborative Habit Tracker project with daily journals and date awareness. Provided work on Vue.js frontend as well as full design and implementation of UI.
  - ◆ Link: <https://github.com/pyxishabits/pyxis>

### Work Experience:

- Seafood Department Manager  
WinCo Foods, Portland, OR  
2016-2023
- Oversaw the daily department operations, ensuring inventory management, quality control, and utmost compliance with health and safety regulations.
  - Developed and implemented strategies to enhance customer satisfaction, resulting in average 20% increased sales and repeat business.
  - Led a team of department staff, providing training, guidance, and support to maintain 18% average margins.
  - Demonstrated strong organizational and problem-solving skills to handle customer inquiries, resolve and prevent issues, and manage special orders.
